**BACKGROUND**

3. On May 21, 2017, HTA, by and through the Oversight Board, as HTA’s representative pursuant to PROMESA section 315(b) filed a petition with the Court under Title III of PROMESA.

4. On May 21, 2017, ERS, by and through the Oversight Board, as ERS’s representative pursuant to PROMESA section 315(b) filed a petition with the Court under Title III of PROMESA.

6. On September 27, 2019, PBA, by and through the Oversight Board, as PBA’s representative pursuant to PROMESA section 315(b), filed a petition with the Court under Title III of PROMESA.

7. Through Orders of this Court, the Commonwealth, COFINA, HTA, ERS, PREPA and PBA Title III Cases (together, the “Title III Cases”) are jointly administered for procedural purposes only, pursuant to PROMESA section 304(g) and Bankruptcy Rule 1015 [ECF Nos. 242, 537, 1417].

8. Through this Application, MPM seeks—pursuant to, and in compliance with the Guidelines—allowance of compensation and reimbursement of expenses incurred by MPM during the Compensation Period in connection with the Title III Cases matters described below.

**COMPENSATION REQUESTED BY MPM**

9. AAFAF retained MPM pursuant to an engagement letter dated February 20, 2018, as subsequently amended on June 28<sup>th</sup> and June 30<sup>th</sup>, 2021, and an engagement letter dated July 29<sup>th</sup>, 2021, subsequently amended on July 29, 2022 (the “Engagement Letter”). Pursuant to the Engagement Letter, payment of all fees and expenses detailed in this Application will be made exclusively by AAFAF.

10. MPM’s hourly rates are set at a level designated to compensate MPM fairly for the work of its attorneys and paraprofessionals and are disclosed in detail in the Engagement Letter. In light of the unique facts and circumstances of these Title III Cases, MPM agreed to provide a 10% discount on all fees incurred.

11. MPM’s rates are appropriate and reasonable for complex litigation and restructuring matters, whether in court or otherwise. The rates and rate structure reflect that such complex matters typically involve great complexity, high stakes, and intense time pressures. In addition, the fees charged by MPM are in accordance with the firm’s existing billing rates and procedures in effect during the Compensation Period. The rates charged by MPM for the services rendered by its professionals are consistent with the competitive market rates in Puerto Rico for

bankruptcy matters charged by other Puerto Rico attorneys who have appeared in the Title III cases.

12. MPM submits that the compensation requested is reasonable in light of the nature, extent, and value of such services provided to AAFAF.

### **SUMMARY OF SERVICES**

13. During the Compensation Period, MPM provided important professional services to AAFAF in connection with the Title III Cases. Detailed descriptions of the specific services provided, and the time expended performing such services are attached as **Exhibit B**, and a summary of the services provided by MPM to AAFAF during the Compensation Period is set forth below.

14. MPM has served as counsel to AAFAF, who as the entity authorized to act on behalf of the Debtors pursuant to the authority granted to it under the Enabling Act of the Fiscal Agency and Financial Advisory Authority, Act 2-2017, has defended the Debtors' rights and interests in the multiple contested matters and adversary proceedings, and in the formulation of legal strategies related to the response to requests to modify the Title III stay, the claims resolution procedure, the assumption and rejection of unexpired executory leases, among other matters.

15. During the Compensation Period, MPM has worked in, among other matters, the following: (i) the drafting and revision of motions and pleadings; (ii) preparation for hearings, (iii) communicated with various agencies and assisted in the negotiation and drafting of stipulations or objections to requests to modify the Title III stay; (iv) research of Puerto Rico and federal law regarding bankruptcy issues; (v) analysis of claims asserted against the Debtors and negotiated resolutions of such claims or litigated them as part of the Title III Proceedings; (vi) analysis of and assisted in negotiating and resolving insurance related claims; (vii) analysis of claims and

16. MPM attorneys, as counsel for AAFAF, also attended hearings and participated in teleconferences with AAFAF, its professionals, the Oversight Board, its professionals, creditors, and other parties. More than one MPM attorney may have participated in these hearings and conferences, when required, in order to better represent AAFAF.

17. MPM has established subject matters categories (each, a “Matter Category”) for keeping time records of the work performed for AAFAF. The following is a summary by Matter Category, of the professional services provided by MPM during the Compensation Period<sup>6</sup>.

**a) Case Administration – 78.60 - \$22,023.00**

18. This category includes all matters relating to general case administration and coordination, record maintenance, pleading and motion review and analysis, and assisting the Debtors, through AAFAF, in fulfilling their duties as debtors in possession, attending and preparing for omnibus hearings, and serves as a general code for services performed that do not fit under any other specific code. For example, the firm represents AAFAF in numerous adversary proceedings, state court litigation, and contested matters involving the Debtors. While MPM serves as local counsel to AAFAF on all Title III matters, there are some areas where the firm is the lead counsel that constitute part of the services rendered under this category. For example,

---

<sup>6</sup> Several of the matter categories, do not appear in this summary because MPM did not bill a significant amount of time under those categories during the Compensation Period. Exhibit B provides a complete summary of the hours billed, and total compensation requested by matter category.

MPM is the lead counsel to AAFAF in evaluating, commenting, preparing objections or stipulations, and serving as liaison between the FOMB and the Government for all lift stay notices received. The firm also assists AAFAF in various adversary proceedings as lead counsel, such as those filed by various Cooperative banks against AAFAF, among others. MPM is also lead counsel on a number of contested matters with creditors of the Debtor and in negotiations with various claimants.

**b) Fee Applications – 24.90 - \$4,766.50**

19. This category relates to time spent by MPM attorneys in connection with the analysis of fee statements of other Title III professionals. MPM serves as the liaison between the Government, particularly the Puerto Rico Department of Treasury ("Treasury"), and Title III professionals regarding the submission, review, comments, and payment of all Title III invoices. This entails daily communications with professionals as to the status of their payments, requesting additional information from Treasury to process payments, advising Treasury on payments that can be made or other related matters. During the Compensation Period, MPM assisted other professionals with doubts related to the completeness of submitted fee statements and their supporting documentation, tax withholding matters, among other things. MPM attorneys also assisted Treasury in the review of all professionals' monthly fee statements and processing of payment of all professional fees. Moreover, during the Compensation Period, MPM also spent time in the reimbursement process of the government contribution to certain professionals. Additionally, Treasury included additional documentation and steps for payments to be processed. MPM reviews and analyzes the monthly fee statements and interim applications for all professionals in the Title III Cases, and coordinates with Treasury the payment of such fees.

**c) Plan and Disclosure Statement – 21.70 - \$6,102.50**

20. MPM has participated and assisted AAFAF and O'Melveny & Myers LLP in numerous matters regarding Title III plans of adjustment, including participating in numerous depositions, preparing witnesses for deposition, discovery issues and disputes, revising and reviewing motions and objections in connection with the plan, participating in regular meetings on strategy and pending tasks, and otherwise assisting AAFAF in the strategy and matters relating to the plan.

**ATTORNEY CERTIFICATION**

21. In accordance with Puerto Rico Local Bankruptcy Rule 2016-1(a)(4), the undersigned has reviewed the requirements of Puerto Rico Local Bankruptcy Rule 2016-1(a)(4) and certifies to the best of his information, knowledge, and belief that this Application complies with Puerto Rico Local Bankruptcy Rule 2016-1(a)(4). In this regard, and incorporated herein by reference, the Certification of Luis C. Marini-Biaggi in accordance with the U.S. Trustee Guidelines is attached hereto as **Exhibit A**.

**NO PRIOR APPLICATION FILED**

22. No prior application for the relief requested by this Application has been made to this or any other court.

**RESERVATION OF RIGHTS**

23. MPM reserves the right to request compensation for services and reimbursement of such expenses in a future application that have not been included in relation to the Compensation Period object of this Application.
